

Introduction

Hi, my name is Pirate Pete and I'm a fairy pirate. I'm looking forward to you learning more about me in *Pirate Pete and the Lost Fairy Treasure*. In this magical book, you'll get a chance to read about some of the work that I do on the seas. The illustrations are amazing too. You'll also get to learn about one particular adventure I was on where we I helped to rescue a magical fairy treasure that couldn't fall into the hands of the non-fairy pirates. I couldn't have done it without the help of my brother Peppin, a mermaid named Mercinda or a sea fairy named Purnella. I could keep talking but instead I'll let you read this magical story which was written by Teelie Turner.
